

# TESTING AND CLASSES INFORMATION SHEET

All LPN applicants are required to take a TABE assessment in the areas of Reading and Mathematics. Students may use TABE assessment scores from Work Force if the exam was taken within the last six months prior to August 1, 2018. In other words, assessment scores before March 1, 2018 will not be accepted and you will need to retake the exam. You are required to bring Work Force assessment scores to the ABE classroom which is located behind the Randolph Technical Center. Your TABE scores will be reviewed and additional TABE testing may be required at a later date. You will also need to complete paperwork if you are planning on taking classes and the PSB exam. If you are only doing testing, including the PSB, you are still required to do paperwork for the **Adult Learning Center** so that test scores and information can be shared with the LPN program and/or Work Force. If you are taking the initial TABE assessment at the Randolph Technical Center on the assigned date, August 8; then you may complete your paperwork at that time. Score requirements will be discussed with you, as well as, reminders regarding class dates and the PSB exam dates.

## TABE ASSESSMENT DATES (Reading and Mathematics)

**A-M** (August 1, 2018) 9:00 am Conference Room Randolph Technical Center
